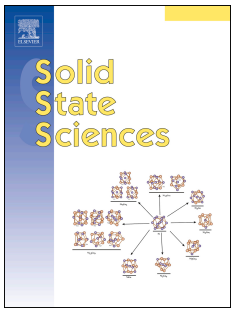
Accepted Manuscript



Solid solutions of gadolinium doped zinc oxide nanorods by combined microwave-ultrasonic irradiation assisted crystallization

Armin Kiani, Kamran Dastafkan, Ali Obeydavi, Mohammad Rahimi

PII: S1293-2558(17)30790-2

DOI: 10.1016/j.solidstatesciences.2017.10.002

Reference: SSSCIE 5574

To appear in: *Solid State Sciences*

Received Date: 17 August 2017

Revised Date: 26 September 2017

Accepted Date: 8 October 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
