Research report

Effects of vagal neuromodulation on feeding behavior

Nicole A. Pelot, Warren M. Grill

PII: S0006-8993(18)30061-1
DOI: https://doi.org/10.1016/j.brainres.2018.02.003
Reference: BRES 45657

To appear in: *Brain Research*

Received Date: 12 October 2017
Revised Date: 23 January 2018
Accepted Date: 1 February 2018

Please cite this article as: N.A. Pelot, W.M. Grill, Effects of vagal neuromodulation on feeding behavior, *Brain Research* (2018), doi: https://doi.org/10.1016/j.brainres.2018.02.003

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
