Empirical values and assumptions in the microphysics of numerical models

Francisco J. Tapiador, José-Luis Sánchez, Eduardo García-Ortega

PII: S0169-8095(18)30766-X
DOI: doi:[10.1016/j.atmosres.2018.09.010](https://doi.org/10.1016/j.atmosres.2018.09.010)
Reference: ATMOS 4369
To appear in: *Atmospheric Research*
Received date: 13 June 2018
Revised date: 10 September 2018
Accepted date: 12 September 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Empirical Values and Assumptions in the Microphysics of Numerical Models
