

Accepted Manuscript

Keratin feathers as a filler for rigid polyurethane foams on the basis of soybean oil polyol

Sylwia Członka, Natalia Sienkiewicz, Anna Strąkowska, Krzysztof Strzelec

PII: S0142-9418(18)31179-6

DOI: [10.1016/j.polymertesting.2018.09.032](https://doi.org/10.1016/j.polymertesting.2018.09.032)

Reference: POTE 5630

To appear in: *Polymer Testing*

Received Date: 28 July 2018

Revised Date: 16 September 2018

Accepted Date: 29 September 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
