Corresponding author: All correspondence should be sent to Amani M. Nuru-Jeter at the University of California Berkeley, School of Public Health, 2121 Berkeley Way #5302, Berkeley, CA 94720-7360; Tel: 240-350-8821; Fax: 510-643-5056; Email: anjeter@berkeley.edu.

Highlights

- There was a non-linear association between discrimination and allostatic load
- The association between discrimination and allostatic load varied by education
