14 **Corresponding author:** Raquel Silveira da Cunha Araujo; Av. Silvino Lopes,
15 440, AP.1302, Tambaú, João Pessoa – PB, Brasil, CEP-58039-190; Tel.
16 +558393059773/ +558330211606. Email address: raquel.silveira@gmail.com

17 **Financial support and disclosures:** This study was funded by the first author.

18 The authors have no conflicts of interest to declare.

19 **Précis:** Surgical laparoscopic treatment is associated with improved quality of
20 life in women with bowel endometriosis; however, few long-term studies have
21 been performed. We suggest reassessment after at least 48 months post-
22 surgery.
