Title: A multiobjective approach for optimal placement and sizing of distributed generators and capacitors in distribution network

Authors: Partha P. Biswas, R. Mallipeddi, P.N. Suganthan, Gehan A.J. Amaratunga

PII: S1568-4946(17)30405-2
DOI: <http://dx.doi.org/doi:10.1016/j.asoc.2017.07.004>
Reference: ASOC 4331

To appear in: *Applied Soft Computing*

Received date: 5-2-2017
Revised date: 11-6-2017
Accepted date: 3-7-2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

A multiobjective approach for optimal placement and sizing of distributed generators and capacitors in distribution network
