

## Accepted Manuscript

Title: Template-assisted facile synthesis and characterization of hollow calcium silicate hydrate particles for use as reflective materials

Authors: Chayani Phattharachindanuwong, Nanthiya Hansupalak, Johann Plank, Yusuf Chisti

PII: S0025-5408(17)31215-1  
DOI: <http://dx.doi.org/10.1016/j.materresbull.2017.09.027>  
Reference: MRB 9568

To appear in: *MRB*

Received date: 29-3-2017  
Revised date: 14-8-2017  
Accepted date: 15-9-2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Template-assisted facile synthesis and characterization of hollow calcium silicate hydrate particles for use as reflective materials**
