* Reprint requests: Hilal Maradit Kremers, MD, MSc, Department of Health Sciences Research, Mayo Clinic, 200 First Street SW, Rochester, MN 55905, Tel: 507-266-3169, E-Mail: maradit@mayo.edu

Keywords: knee, Arthroplasty, patella, resurfacing, knee revision

Influence on practice: By demonstrating similar outcomes in cases who are selectively not resurfaced, this work will influence the practice of universal patella resurfacing.
