This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Do the observational studies using propensity score analysis agree  
with randomized controlled trials in the area of sepsis?**

**1. Zhongheng Zhang, MM**

**Title:** Dr.

**Affiliation:** Jinhua municipal central hospital

**Email:** [zh\\_zhang1984@hotmail.com](mailto:zh_zhang1984@hotmail.com)

**Role:** This author helped design the study, conduct the study, analyze the data, and write the manuscript

**Conflicts:** zhongheng Zhang reported no conflicts of interest

**Attestation:** zhongheng Zhang has seen the original study data, reviewed the analysis of the data, and approved the final manuscript

**2. Hongying Ni,**

**Title:** Dr.

**Affiliation:** Jinhua municipal central hospital

**Email:** [nihongying2@163.com](mailto:nihongying2@163.com)

**Role:** This author helped design the study and analyze the data

**Conflicts:** hongying Ni reported no conflicts of interest

**Attestation:** hongying Ni has seen the original study data, approved the final manuscript, and is the author responsible for archiving the study files

**3. Xiao Xu,**

**Title:** Dr.

**Affiliation:** Jinhua municipal central hospital

**Email:** [xwqxx@163.com](mailto:xwqxx@163.com)

**Role:** This author helped design the study and write the manuscript

**Conflicts:** Xiao Xu reported no conflicts of interest

**Attestation:** Xiao Xu has seen the original study data and approved the final manuscript

**Institution:** Department of critical care medicine, Jinhua municipal central hospital, Jinhua hospital of Zhejiang university

**Short Title:** propensity score analysis in critical care medicine

**Funding:** there is no funding

**Corresponding Author:**

zhongheng Zhang, MM

351#, Mingyue Street, Jinhua city, Zhejiang province, P.R. China. Department of critical care medicine, Jinhua municipal central hospital.
