

## Accepted Manuscript

Title: Clobazam and clonazepam use in epilepsy: results from a UK database incident user cohort study

Author: Martin J. Brodie Steve Chung Alan Wade Celine Quelen Alice Guiraud-Diawara Clement François Patrice Verpillat Vivienne Shen Jouko Isojarvi

PII: S0920-1211(16)30050-X  
DOI: <http://dx.doi.org/doi:10.1016/j.eplepsyres.2016.04.003>  
Reference: EPIRES 5507

To appear in: *Epilepsy Research*

Received date: 17-7-2015  
Revised date: 14-3-2016  
Accepted date: 8-4-2016

Please cite this article as: Brodie, Martin J., Chung, Steve, Wade, Alan, Quelen, Celine, Guiraud-Diawara, Alice, François, Clement, Verpillat, Patrice, Shen, Vivienne, Isojarvi, Jouko, Clobazam and clonazepam use in epilepsy: results from a UK database incident user cohort study. *Epilepsy Research* <http://dx.doi.org/10.1016/j.eplepsyres.2016.04.003>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
