

Accepted Manuscript

Vascular smooth muscle cell proliferation as a therapeutic target.
Part 1: molecular targets and pathways

Dongdong Wang, Pavel Uhrin, Andrei Mocan, Birgit Waltenberger, Johannes M. Breuss, Devesh Tewari, Judit Mihaly-Bison, Łukasz Huminiecki, Rafał R. Starzyński, Nikolay T. Tzvetkov, Jarosław Horbańczuk, Atanas G. Atanasov

PII: S0734-9750(18)30078-8
DOI: doi:[10.1016/j.biotechadv.2018.04.006](https://doi.org/10.1016/j.biotechadv.2018.04.006)
Reference: JBA 7253
To appear in: *Biotechnology Advances*
Received date: 12 December 2017
Revised date: 15 April 2018
Accepted date: 18 April 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
