

## Acknowledgement of Reviewers 2017

Consistent quality of papers published in the International Journal of Medical Informatics can only be maintained with the cooperation of a number of expert referees. The Editor-in-Chief would like to thank all those who have donated the hours necessary to review, evaluate, and comment on manuscripts; their conscientious efforts have allowed the journal to maintain its tradition of excellence. We are grateful to the following reviewers for their contributions during 2017:
