## ACKNOWLEDGEMENTS

We are grateful to the study participants for their candid accounts. We thank UNHCR field offices in Kuala Lumpur, Nairobi, and Kakuma for providing critical logistical support. Dr. Christopher Lee, Dr. Anuradha Radhakrishnan, Chung Han Yang, Jayanthi Arumugam, Wong Kok Mun, Aung Zan Wai (Saw), Dr. Bosco Muhindo, Dr. Jonathan Imaana, Geoffrey Luttag, and Monica Eshikeda also provided essential support. We thank Jerry Manuel, Ngun Sui Sin, Juliana Ooi, Tan Sok Teng, Betty Akot, Abdikarim Sharif Mohamed, Habiba Abdi Adan, and Kevin Ekal Ekutan for conducting the in-depth interviews. Amrita Daftary provided valuable feedback on an earlier draft of the manuscript. We also thank the National Council for Science and Technology (Kenya) and the Economic Planning
