* We thank Diego Andre and Abel Brasil for providing excellent research assistance. We also thank Ines Lee, Sonia Oreffice and two anonymous referees for helpful comments and suggestions. The PCSVDF^{Mulher} survey was funded by the Secretaria Especial de Políticas para as Mulheres - Ministério da Justiça, Brasil. The sponsors of the study had no role in study design, data collection, data analysis, data interpretation, or writing of this article. The authors of this article had full access to all data in the study and had final responsibility for the decision to submit for publication.
