

## Accepted Manuscript

Title: Sensitive method for glycosaminoglycan analysis of tissue sections

Authors: Lilla Turiák, Gábor Tóth, Oliver Ozohanics, Ágnes Révész, András Ács, Károly Vékey, Joseph Zaia, László Drahos

PII: S0021-9673(18)30216-4  
DOI: <https://doi.org/10.1016/j.chroma.2018.02.034>  
Reference: CHROMA 359213

To appear in: *Journal of Chromatography A*

Received date: 18-10-2017  
Revised date: 16-2-2018  
Accepted date: 19-2-2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
