Extracellular Matrix Component Signaling in Cancer

Hinke A.B. Mulhaupt, Birgit Leitinger, Donald Gullberg, John R. Couchman

PII: S0169-409X(15)00238-0  
DOI: doi: [10.1016/j.addr.2015.10.013](https://doi.org/10.1016/j.addr.2015.10.013)  
Reference: ADR 12855

To appear in: *Advanced Drug Delivery Reviews*

Received date: 13 September 2015  
Revised date: 19 October 2015  
Accepted date: 20 October 2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
