

## Accepted Manuscript

Targeting cancer stem cells in the clinic: Current status and perspectives

Stephanie Annett, Tracy Robson

PII: S0163-7258(18)30020-2

DOI: <https://doi.org/10.1016/j.pharmthera.2018.02.001>

Reference: JPT 7182

To appear in:

Please cite this article as: Stephanie Annett, Tracy Robson , Targeting cancer stem cells in the clinic: Current status and perspectives. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Jpt(2018), <https://doi.org/10.1016/j.pharmthera.2018.02.001>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
