

## Accepted Manuscript

The valproic acid-induced rodent model of autism

Chiara Nicolini, Margaret Fahnestock

PII: S0014-4886(17)30110-3  
DOI: doi: [10.1016/j.expneurol.2017.04.017](https://doi.org/10.1016/j.expneurol.2017.04.017)  
Reference: YEXNR 12528  
To appear in: *Experimental Neurology*  
Received date: 8 November 2016  
Revised date: 26 April 2017  
Accepted date: 28 April 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
