Development of the Enteric Nervous System: A Genetic Guide to the Perplexed

Michael D. Gershon, M.D.

PII: S0016-5085(18)30024-6
DOI: [10.1053/j.gastro.2018.01.012](https://doi.org/10.1053/j.gastro.2018.01.012)
Reference: YGAST 61621

To appear in: *Gastroenterology*

Please cite this article as: Gershon MD, Development of the Enteric Nervous System: A Genetic Guide to the Perplexed, *Gastroenterology* (2018), doi: 10.1053/j.gastro.2018.01.012.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Development of the Enteric Nervous System: A Genetic Guide to the
Perplexed**

By

Michael D. Gershon, M.D.

Department of Pathology and Cell Biology, Columbia University College of
Physicians and Surgeons

630 West 168th Street, New York, NY 10032
