Nature versus nurture in the spectrum of rheumatic diseases:
Classification of spondyloarthritis as autoimmune or
autoinflammatory

Elena Generali, Tanima Bose, Carlo Selmi, J. Willem Voncken,
Jan G.M.C. Damoiseaux

PII: S1568-9972(18)30163-0
DOI: [doi:10.1016/j.autrev.2018.04.002](https://doi.org/10.1016/j.autrev.2018.04.002)
Reference: AUTREV 2194
To appear in: *Autoimmunity Reviews*
Received date: 5 April 2018
Accepted date: 10 April 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Nature versus nurture in the spectrum of rheumatic diseases:**Classification of spondyloarthritis as autoimmune or autoinflammatory**

Running title: Is spondyloarthritis an autoimmune or autoinflammatory disease?

Elena Generali¹, Tanima Bose^{2,3*}, Carlo Selmi^{1,4}, J. Willem Voncken⁵,
and Jan G.M.C. Damoiseaux^{6*}
