Influence of aromatic structure and substitution of carboxyl groups of aromatic acids on their sorption to biochars

Lin Wu, Binghua Li, Mingzhu Liu

PII: S0045-6535(18)31260-8

DOI: 10.1016/j.chemosphere.2018.07.003

Reference: CHEM 21717

To appear in: *Chemosphere*

Received Date: 29 April 2018

Accepted Date: 01 July 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 **Influence of aromatic structure and substitution of carboxyl groups**
2 **of aromatic acids on their sorption to biochars**
