### Acknowledgements

We thank Barry Williams (the guest editor) and two anonymous reviewers for their insightful comments and suggestions to improve the quality of our paper. In the early stage of developing this research idea, our thinking was greatly assisted by completing the “pitching template” created by Faff (2015, 2016). We thank Robert Faff, Zoltan Matolcsy, Karen Benson, Gary Monroe, Dave Michayluk, Eliza Wu, Harald Scheule, and the participants for their helpful comments at the SIRCA’s pitching research symposium, University of Technology Sydney, Sydney, 2016. We are also thankful to United Overseas Resources Ltd (Hong Kong) for the financial support, Griffith University Postgraduate Students Association (GUPSA) for the write-up assistance and the SIRCA for the symposium travel grant.
