Letter to the Editor

Reply to “Influence of ablation technique on treatment failure for perivascular hepatocellular carcinoma”

Sunyoung Lee, Tae Wook Kang

PII: S0168-8278(18)32117-2
DOI: <https://doi.org/10.1016/j.jhep.2018.05.032>
Reference: JHEPAT 6994

To appear in: *Journal of Hepatology*

Received Date: 22 May 2018

Accepted Date: 27 May 2018

Please cite this article as: Lee, S., Kang, T.W., Reply to “Influence of ablation technique on treatment failure for perivascular hepatocellular carcinoma”, *Journal of Hepatology* (2018), doi: <https://doi.org/10.1016/j.jhep.2018.05.032>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Reply to “Influence of ablation technique on treatment failure for perivascular
hepatocellular carcinoma”**
