Animals as sources of food-borne pathogens: A review

Norma Heredia, Santos García

PII: S2405-6545(18)30030-1

DOI: [10.1016/j.aninu.2018.04.006](https://doi.org/10.1016/j.aninu.2018.04.006)

Reference: ANINU 228

To appear in: *Animal Nutrition Journal*

Received Date: 15 March 2018

Revised Date: 19 April 2018

Accepted Date: 23 April 2018

Please cite this article as: Heredia N, García S, Animals as sources of food-borne pathogens: A review, *Animal Nutrition Journal* (2018), doi: 10.1016/j.aninu.2018.04.006.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 Animals as sources of food-borne pathogens: A review
