

Accepted Manuscript

Nanoparticles for Plant Disease Management

Wade H. Elmer, Chuanxin Ma, Jason C. White

PII: S2468-5844(18)30064-3

DOI: [10.1016/j.coesh.2018.08.002](https://doi.org/10.1016/j.coesh.2018.08.002)

Reference: COESH 69

To appear in: *Current Opinion in Environmental Science & Health*

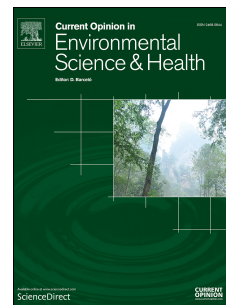

Received Date: 21 June 2018

Revised Date: 23 July 2018

Accepted Date: 13 August 2018

Please cite this article as: Elmer WH, Ma C, White JC, Nanoparticles for Plant Disease Management, *Current Opinion in Environmental Science & Health* (2018), doi: 10.1016/j.coesh.2018.08.002.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 **Nanoparticles for Plant Disease Management**
