

Accepted Manuscript

Title: Performance Evaluation of Venturi Scrubber for the Removal of Iodine in Filtered Containment Venting System

Authors: Manisha Bal, Thamam Tejaswini Reddy, B.C. Meikap

PII: S0263-8762(18)30413-1
DOI: <https://doi.org/10.1016/j.cherd.2018.08.019>
Reference: CHERD 3313

To appear in:

Received date: 8-4-2018
Revised date: 14-6-2018
Accepted date: 12-8-2018

Please cite this article as: Bal, Manisha, Reddy, Thamam Tejaswini, Meikap, B.C., Performance Evaluation of Venturi Scrubber for the Removal of Iodine in Filtered Containment Venting System. Chemical Engineering Research and Design <https://doi.org/10.1016/j.cherd.2018.08.019>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Performance Evaluation of Venturi Scrubber for the Removal of Iodine in Filtered Containment Venting System
