Atomisation technologies used in spray drying in the dairy industry: A review

Jonathan J. O'Sullivan, Eve-Anne Norwood, James A. O'Mahony, Alan L. Kelly

PII: S0260-8774(18)30364-9
DOI: 10.1016/j.jfoodeng.2018.08.027
Reference: JFOE 9377
To appear in: *Journal of Food Engineering*
Received Date: 13 May 2018
Accepted Date: 25 August 2018

Please cite this article as: Jonathan J. O'Sullivan, Eve-Anne Norwood, James A. O'Mahony, Alan L. Kelly, Atomisation technologies used in spray drying in the dairy industry: A review, *Journal of Food Engineering* (2018), doi: 10.1016/j.jfoodeng.2018.08.027

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
