**Introduction**

Mafeisan, an oral herbal general anesthetic, is well known in China, Japan and other Asian countries. But it may not be known to western countries. The official and authoritative Chinese historical books, <Records of the Three Kingdoms> written by Chen Shou (陈寿) in the 3rd century<sup>1</sup> and <Book of the Later Han> compiled by Fan Ye (范晔) in the 5th century<sup>2</sup> described a story of Hua Tuo (140 – 208), a Traditional
