This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 **Journal:** Heart Rhythm Case Reports
2

3 **Title:** Hypertrophic Cardiomyopathy: Ischemia Progressing to Ventricular Fibrillation

4 **Short title:** Ventricular fibrillation in hypertrophic cardiomyopathy
5

6 **Category for submission:** Case Reports
7

8 **Authors:**

9 Ellis Rochelson MD, Lynn Nappo RN and Robert H. Pass, MD
10

11 **All authors' affiliation:**

12 Division of Pediatric Cardiology – Department of Pediatrics

13 The Children's Hospital at Montefiore Medical Center

14 Albert Einstein College of Medicine, Bronx, NY, USA
15

16 **Funding:** There is no relevant funding to disclose.
17

18 **Conflicts of interest:** No author has any conflict of interest relevant to this manuscript.
19

20 **Corresponding author information:**

21 Ellis Rochelson, MD

22 Email: rochelson.ellis@gmail.com

23 Telephone: 516-448-2313
24

25 **Total word count:** 407 (including title and authors; excluding references & figure
26 caption)
