Accepted Manuscript

Neural correlates of the energetic value of food during visual processing and response inhibition

P. Mengotti, F. Foroni, R.I. Rumiati

PII: \$1053-8119(18)30802-4

DOI: 10.1016/j.neuroimage.2018.09.017

Reference: YNIMG 15253

To appear in: Neurolmage

Received Date: 16 April 2018

Revised Date: 27 August 2018

Accepted Date: 7 September 2018

Please cite this article as: Mengotti, P., Foroni, F., Rumiati, R.I., Neural correlates of the energetic value of food during visual processing and response inhibition, *NeuroImage* (2018), doi: 10.1016/i.neuroimage.2018.09.017.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
