

To place a notice:

Associate Registry listings are offered as add-ons to online postings in the AAE Career Center. Visit careercenter.aae.org for more information and rates. Because there is a two-month lead time for the *Journal of Endodontics* print issue, listings must be submitted on or before the 10th of each month to

appear in the issue two months later (e.g., a submission received on March 10 will appear in the May issue). If the ad is submitted after the 10th of the month, it will appear in the *JOE* three months later (e.g., a submission received on March 11 will appear in the June issue).

Notices must fit into one of the following categories: endodontic practice, multispecialty group practice,

associate to partner or practice for sale. Each notice must advertise a specific position, practice or opportunity.

Endodontic Practice

California, Los Angeles—Rootvision Endo. Successful, Southern California endodontic practice, seeking full-time associate to work towards expansion into partnership. We are seeking a motivated, quality-orientated associate for a long-term relationship. Partnership will provide a state-of-the-art facility outfitted with latest digital imaging, microscopes, and CBCT. Operations of practice for front/back office/marketing are established and managed with no hassle to you. Your sole responsibility will be to provide the best endodontic care to our steady patient base that will be scheduled for you. 1st year out of school potential income of \$450k and 2nd year \$550k. This expansion/partnership offer has limited time before being filled. Highly growing company with additional growth- NO LIMITS. This is an amazing opportunity for all applicants. New graduates of 2018 and upcoming 2019 are encouraged to apply!! Please visit our website for more information about our company: www.rootvisionendo.com. Please email CV's to erintu@rootvisionendo.com and cc: aznhappy17@hotmail.com or call 310-892-2732.

California, Rancho Mirage—A very busy office in Rancho Mirage, California is seeking a full time associate to cover at least four days a week with generous compensations of potential \$3000 plus per day. The office is operated by a board-certified Endodontist and utilizes the most up to date technology including Zeiss Microscope in every operator, Cone Beam CT scan with digital radiography, and digital patient charting. Clinical experience is preferred, but new graduates will also be considered. All candidates must be completely competent in using the microscope in every treatment session and it is preferred to have experience with cone beam Ct scan imaging. In the Rancho Mirage/Palm Springs area, you can enjoy seven months of average 75 degree winters, top rated golf courses, tennis courts and beautiful mountain views. If interested, please send your resume via email at rancho.endo@gmail.com or fax to 760-779-0348. ranchomirageendodontics.com.

California, San Jose—Our well-established, quality-oriented San Jose practice is seeking an endodontist to work part-time. Our ideal associate endodontist will have 1-2 years of endodontic experience with microscope training and possess excellent clinical and patient communication skills. As an associate doctor in our practice, you will have unlimited growth opportunities. Our practice has been serving the south bay area for over 30 years and we are proud to say that we have a long history of excellent working relationships with our referring dentists and a great dental team committed to providing outstanding patient care. Our endodontists are

supported by assistants trained in both endodontic and implant procedures. Our new office was designed with state-of-the-art technology in each of our seven operatories and our surgical suite. For our cases that requires CT scans and ease in patient care, we share building space with Reveal Diagnostics. If you feel you are a candidate for this position or would like to know more about this opportunity, you may email your resume to terry@endosj.com or you may contact Terry Bauer at 408/224-8266.

California, San Jose—Endodontic office is looking for an energetic, caring and personable part time associate, offices in San Jose and close proximity; and looking to accommodate all patients. Office has three

operatories with digital radiography, microscopes and place implants. This office was completely upgraded and remodeled in 2016. If interested, email cover letter and resume to CareerCenter@aae.org.

Colorado, Douglas County—Our practice was established in 2010. We are a state-of-the-art practice that's still growing rapidly in one of America's wealthiest counties, Douglas County. We have built our practice on conservative and biologically based endodontic principles. Our primary focus has been to produce long-term, predictable results for our referring doctors and their patients. We deliver a far superior patient experience in a relaxed environment, which in combination with our clinical approach has led to rock-solid referrer relationships that are very rarely influenced by our participation status with a particular patient's insurance network. We are a completely digital office, including the following: Carestream 9300 CBCT, Kodak 6100 RVG intraoral sensors, TDO and Canon cameras mounted to our microscopes. All operatories are equipped w/ wall mounted ASI arms, ceiling mounted Zeiss microscopes with assistant side optics, adtec patient chairs, Adtec rear delivery and RGP doctor and assistant chairs. We are looking for an eager associate with a dynamic personality that wishes to join a practice with the before mentioned practice principles, as these are the foundation of our success. Prospective associates will need to be extremely hard working, self-motivated, clinically competent, an enthusiastic learner and able to establish and manage relationships with the staff and referring offices. It is a must that you work well with others and have a "team-oriented" mindset. If interested, email cover letter and resume to CareerCenter@aae.org.

District of Columbia, Washington—Expanding private practice in the Washington D.C. metro area seeks an associate endodontist. We have two offices- one downtown D.C. and one in Northern Virginia. We are an evidence-based practice and we practice the full scope of endodontics (surgical and non-surgical). We believe in the integration of best research evidence with clinical expertise, patient values and the priorities of our referring doctors. We are seeking an associate who is motivated, quality-oriented, and able to forge close connections with our referring doctors and their staff. This position requires a professional, punctual, well-organized individual with great communication skills and work ethic. Preference is given to board-certified candidates with at least one year of private practice experience. The position is flexible with either full-time or part-time. We are invested in the development of our team members and creating a friendly, progressive work culture. Please email cover letter, resume and three references to va.endodontist@gmail.com to be considered for this position. Please reply to va.endodontist@gmail.com.

Florida, Gainesville—Established solo endodontic practice in Gainesville, Florida seeks associate full or part-time. High fees, state-of-the-art, Zeiss xenon scopes, Carestream 9000 CBCT. Paid on production. Located in upscale safe residential area with restaurants, retail. Great schools with gifted and magnet programs within 5 min drive. Low cost of living. No traffic, no congestion, or crime. Excellent arts, sports with University of Florida 15 minutes away. Email

CV:drduane@gmail.com or call: 352/682-4009.

Georgia, Richmond Hill—We are looking for someone to help us soon! Would you like to work where the cost of living is low and the quality of living is high; where the tides are high and taxes are low? We are looking for a serious candidate who cares about the patient and being a part of the community. Do you want to be part of a busy, fun practice? If so, contact Dr. Lea! We are looking for an endodontist to join our practice. This is a single private endo owner who needs help!
