This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Title: Subacute Aortic Prosthetic Mechanical Valve Thrombosis Complicated with Acute Coronary Syndrome

Running title: Mechanical valve and fibrinolytic

Authors: Batur Gonenc Kanar¹, Kursat Tigen¹, Halil Atas¹, Altug Cincin¹, Beste Ozben¹.

Institutions:

¹Marmara University Faculty of Medicine, Department of Cardiology, Istanbul, Turkey

Corresponding author: Batur Gonenc KANAR M.D

Corresponding address:

Marmara University Education and Research Hospital,
