Title: G-protein coupled estrogen receptor (GPER) deficiency induces cardiac remodeling through oxidative stress

Author: Hao Wang, Xuming Sun, Marina S. Lin, Carlos M. Ferrario, Holly Van Remmen, Leanne Groban

PII: S1931-5244(18)30070-7
DOI: <https://doi.org/10.1016/j.trsl.2018.04.005>
Reference: TRSL 1229

To appear in: *Translational Research*

Received date: 27-2-2018
Revised date: 9-4-2018
Accepted date: 22-4-2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

G-protein coupled estrogen receptor (GPER) deficiency induces cardiac remodeling through oxidative stress
