Title: Return to work following surgery for lumbar radiculopathy: A systematic review

Author: Eva Huysmans, Lisa Goudman, Griet Van Belleghem, Mats De Jaeger, Maarten Moens, Jo Nijs, Kelly Ickmans, Ronald Buyl, Christophe Vanroelen, Koen Putman

PII: S1529-9430(18)30255-9
DOI: <https://doi.org/10.1016/j.spinee.2018.05.030>
Reference: SPINEE 57696

To appear in: *The Spine Journal*

Received date: 12-2-2018
Revised date: 27-4-2018
Accepted date: 16-5-2018

Please cite this article as: Eva Huysmans, Lisa Goudman, Griet Van Belleghem, Mats De Jaeger, Maarten Moens, Jo Nijs, Kelly Ickmans, Ronald Buyl, Christophe Vanroelen, Koen Putman, Return to work following surgery for lumbar radiculopathy: A systematic review, *The Spine Journal* (2018), <https://doi.org/10.1016/j.spinee.2018.05.030>.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Return To Work Following Surgery For Lumbar Radiculopathy: A Systematic Review

Acknowledgements

Eva Huysmans and Lisa Goudman are PhD research fellows of the Agency for Innovation by Science and Technology (IWT) – Applied Biomedical Research Program (TBM), Belgium. Kelly Ickmans is a postdoctoral research fellow of the Agency for Innovation by Science and Technology (IWT) – Applied Biomedical Research Program (TBM), Belgium. Maarten Moens is a clinical investigator and received the Lyrica Independent Investigator Research Award (LIIRA). He received consultancy or speaker honoraria from Medtronic and Pfizer. Furthermore, the authors would like to thank Filip Cools, Eva Goossens, Bart Hens and Nick Verhaeghe for their valuable help to make this systematic review possible.

There are no conflict of interest disclosures from any authors.

Address of correspondence and reprints requests to Dra. Eva Huysmans, PhD researcher, Vrije Universiteit Brussel, Building F-KIMA, Laarbeeklaan 103, BE-1090 Brussels, Belgium (e-mail: eva.huysmans@vub.be)
