The helpful comments of Robert Larson (the editor) and the anonymous reviewers are greatly acknowledged. We thank Reem El-Sherif for her excellent research assistance. Moataz El-Helaly acknowledges that significant parts of this research were conducted when he was a PhD student at Aston Business School, UK and a Visiting Assistant Professor of Accounting at the American University in Cairo, Egypt and gratefully acknowledges the financial contribution of the School of Business, American University in Cairo. Special thanks to Dr. Nizar Becheikh, Associate Dean for Graduate Studies and Research at that time.

We appreciate helpful comments from Ilias Basioudis, Igor Goncharov, Maximilain Muller, Collins Ntim, Thorsten Sellhorn, Laurence van Lent, Edward Riedl, and workshop participants at the American University in Cairo, the 2013 Summer Program in Accounting Research (SPAR) at WHU Otto Beisheim School of Management, Germany, and the EAA Annual Congress 2016, Maastricht, Netherlands. All remaining errors are ours.
