

## Accepted Manuscript

Title: Kinetics of thermal inactivation of catalase in the presence of additives

Authors: Anca Ruxandra Cantemir, Adina Raducan, Mihaela Puiu, Dumitru Oancea

PII: S1359-5113(13)00052-4  
DOI: <http://dx.doi.org/doi:10.1016/j.procbio.2013.02.013>  
Reference: PRBI 9767

To appear in: *Process Biochemistry*

Received date: 20-9-2012  
Revised date: 14-1-2013  
Accepted date: 12-2-2013

Please cite this article as: CANTEMIR AR, RADUCAN A, PUIU M, OANCEA D, Kinetics of thermal inactivation of catalase in the presence of additives, *Process Biochemistry* (2013), <http://dx.doi.org/10.1016/j.procbio.2013.02.013>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
