Early-warning On the Performance of Novel High-rate Anaerobic Bioreactor

Jun-Yuan Ji, Huan Wang, Ping Zheng, Ya-Juan Xing, Xi-Lai Zheng

PII: S1383-5866(15)30200-8

DOI: <http://dx.doi.org/10.1016/j.seppur.2015.09.019>

Reference: SEPPUR 12547

To appear in: *Separation and Purification Technology*

Received Date: 17 March 2015

Revised Date: 2 September 2015

Accepted Date: 20 September 2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Early-warning On the Performance of Novel High-rate Anaerobic Bioreactor
