Title: Experimental study on grinding force and grinding temperature of Aermet 100 steel in surface grinding

Author: Changfeng Yao Ting Wang Wei Xiao Xinchun Huang Junxue Ren

PII: S0924-0136(14)00145-9
DOI: <http://dx.doi.org/doi:10.1016/j.jmatprotec.2014.04.013>
Reference: PROTEC 13965

To appear in: *Journal of Materials Processing Technology*

Received date: 30-5-2013
Revised date: 10-4-2014
Accepted date: 14-4-2014

Please cite this article as: Yao, C., Wang, T., Xiao, W., Huang, X., Ren, J., Experimental study on grinding force and grinding temperature of Aermet 100 steel in surface grinding, *Journal of Materials Processing Technology* (2014), <http://dx.doi.org/10.1016/j.jmatprotec.2014.04.013>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
