

## Accepted Manuscript

Synthesis and Biological Evaluation of Thiabendazole Derivatives as Anti-angiogenesis and Vascular Disrupting Agents

Chao Zhang, Bo Zhong, Simin Yang, Liangkun Pan, Siwang Yu, Zhongjun Li, Shuchun Li, Bin Su, Xiangbao Meng

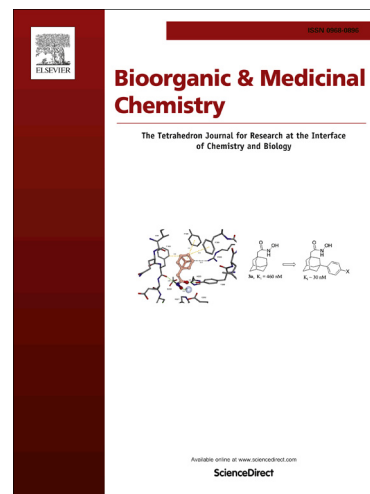

PII: S0968-0896(15)00292-8  
DOI: <http://dx.doi.org/10.1016/j.bmc.2015.03.085>  
Reference: BMC 12211

To appear in: *Bioorganic & Medicinal Chemistry*

Received Date: 5 February 2015  
Revised Date: 30 March 2015  
Accepted Date: 31 March 2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

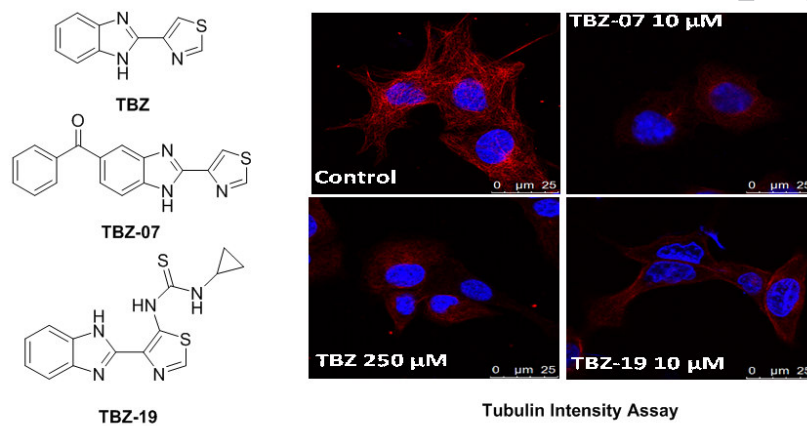

## Graphical Abstract

Leave this area blank for abstract info.
