

Accepted Manuscript

Title: Emerging Role of P2X7 Receptors in CNS Health and Disease

Author: Manju Tewari Pankaj Seth

PII: S1568-1637(15)30026-X

DOI: <http://dx.doi.org/doi:10.1016/j.arr.2015.10.001>

Reference: ARR 611

To appear in: *Ageing Research Reviews*

Received date: 19-9-2015

Accepted date: 5-10-2015

Please cite this article as: Tewari, Manju, Seth, Pankaj, Emerging Role of P2X7 Receptors in CNS Health and Disease. *Ageing Research Reviews* <http://dx.doi.org/10.1016/j.arr.2015.10.001>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Emerging Role of P2X7 Receptors in CNS Health and Disease
