This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Three families with Perry syndrome from distinct parts of the world

Pawel Tacik^{1†}, Fabienne C. Fiesel^{2†}, Shinsuke Fujioka¹, Owen A. Ross^{2,3}, Felipe Pretelt⁴, Camilo Castañeda Cardona⁴, Alexa Kidd⁵, Michael Hlavac⁶, Anthony Raizis⁷, Michael S. Okun⁸, Sharleen Traynor¹, Audrey J. Strongosky¹, Wolfdieter Springer^{2,3} and Zbigniew K. Wszolek^{1*}
