Current perspectives of molecular pathways involved in chronic Inflammation-mediated breast cancer

Shankar Suman, Dr. Pradeep Kumar Sharma, Girish Rai, Sanjay Mishra, Deepika Arora, Prachi Gupta, Yogeshwer Shukla, Head

PII: S0006-291X(15)30832-9

DOI: [10.1016/j.bbrc.2015.10.133](https://doi.org/10.1016/j.bbrc.2015.10.133)

Reference: YBBRC 34817

To appear in: *Biochemical and Biophysical Research Communications*

Received Date: 8 October 2015

Accepted Date: 25 October 2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
