

Accepted Manuscript

Kiwifruit cysteine protease actinidin compromises the intestinal barrier by disrupting tight junctions

Milica M. Grozdanovic, Milena Cavic, Andrijana Nešić, Uroš Andjelković, Peyman Akbari, Joost J. Smit, Marija Gavrovic-Jankulovic

PII: S0304-4165(15)00331-1
DOI: doi: [10.1016/j.bbagen.2015.12.005](https://doi.org/10.1016/j.bbagen.2015.12.005)
Reference: BBAGEN 28337

To appear in: *BBA - General Subjects*

Received date: 9 July 2015
Revised date: 7 November 2015
Accepted date: 11 December 2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Kiwifruit cysteine protease actinidin compromises the intestinal barrier by disrupting tight junctions
