Carnitine transport and fatty acid oxidation

Nicola Longo, Marta Frigeni, Marzia Pasquali

PII: S0167-4889(16)30013-1
DOI: doi: [10.1016/j.bbamcr.2016.01.023](https://doi.org/10.1016/j.bbamcr.2016.01.023)
Reference: BBAMCR 17793

To appear in: *BBA - Molecular Cell Research*

Received date: 17 November 2015
Revised date: 27 January 2016
Accepted date: 28 January 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

CARNITINE TRANSPORT AND FATTY ACID OXIDATION
