Semi-continuous measurement of oxygen demand in wastewater using biofilm-capacitance

Junyoung Sim, Robertson Reid, Abid Hussain, Hyung-Sool Lee

PII: S2589-014X(18)30081-1
DOI: doi:[10.1016/j.biteb.2018.08.009](https://doi.org/10.1016/j.biteb.2018.08.009)
Reference: BITEB 77
To appear in: *Bioresource Technology Reports*
Received date: 16 August 2018
Accepted date: 18 August 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Semi-continuous measurement of oxygen demand in wastewater using
biofilm-capacitance**
