

Accepted Manuscript

Title: Next generation database search algorithm for forensic mitogenome analyses

Authors: Nicole Huber, Walther Parson, Arne Dür

PII: S1872-4973(18)30297-7
DOI: <https://doi.org/10.1016/j.fsigen.2018.09.001>
Reference: FSIGEN 1962

To appear in: *Forensic Science International: Genetics*

Received date: 29-5-2018
Revised date: 29-8-2018
Accepted date: 3-9-2018

Please cite this article as: Huber N, Parson W, Dür A, Next generation database search algorithm for forensic mitogenome analyses, *Forensic Science International: Genetics* (2018), <https://doi.org/10.1016/j.fsigen.2018.09.001>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Next generation database search algorithm for forensic mitogenome analyses
