- 1) Conflict of Interest - None declared
- 2) Ethical Approval – Ethical approval was not required for the development of the Realist evaluation framework or the midwives survey tool.
- 3) Funding Sources – this research is funded through a Clinical Academic Research Careers Grant – Midwifery, which is a collaboration between Edinburgh Napier University and NHS Lothian.
- 5) Acknowledgments – thanks to those who participated in Stakeholder Interviews, to midwives in practice who were involved in informal discussions about the Best Start Policy and who commented on early versions of the midwives survey tool, the Midwives Research Champions Group who provided invaluable feedback on the survey and the CARC team, lead by Juliet Macarthur, who guided the development of this evaluation.
