Identification of safety hazards in Indian underground coal mines

Debi Prasad Tripathy, Charan Kumar Ala

PII: S2300-3960(18)30021-1

DOI: [10.1016/j.jsm.2018.07.005](https://doi.org/10.1016/j.jsm.2018.07.005)

Reference: JSM 98

To appear in: *Journal of Sustainable Mining*

Received Date: 28 February 2018

Revised Date: 30 April 2018

Accepted Date: 31 July 2018

Please cite this article as: Tripathy D.P. & Ala C.K., Identification of safety hazards in Indian underground coal mines, *Journal of Sustainable Mining* (2018), doi: 10.1016/j.jsm.2018.07.005.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
