Abbreviated title: Heart Failure Outcomes by Systolic Function

Funding: Supported in part by research grants from the National, Heart, Lung and Blood institute (U19 L091179, RC1 HL099395) and from the National Institute on Aging (U01 AGO34661) of the National Institutes of Health of the United States of America.

Disclosures: Harshith R. Avula, Thomas K. Leong, Keane K. Lee, and Sue Hee Sung have no disclosures to report. Alan S. Go has received a research grant through his institution from Novartis as below.

Relationship with industry: Dr. Alan S. Go has received a research grant through his institution from Novartis.

Date manuscript of revision: May 18, 2018
